

## Curriculum Vitae 2013

# Warren D. TenHouten

### Addresses

### Work

Professor Emeritus  
Department of Sociology  
University of California  
264 Haines Hall, 405 Hilgard Avenue  
Los Angeles, California 90095-1551 USA

### Home (Please use this address)

8854 W. Lookout Mountain Avenue  
Los Angeles, CA 90046-1820

**Email**            wtenhout@ucla.edu

**Telephone**    Work: 310 825 1313  
                     Home: 323 650 0663 (please use this number)

**Citizenship**    USA

**Taxpayer Identification Number**    371 38 6627

### Employment History

6/2004 – present    Professor Emeritus, Department of Sociology, University of California at Los Angeles  
6/1980 – 6/2004    Professor, Department of Sociology, University of California at Los Angeles  
6/1970 – 6/1980    Associate Professor, Department of Sociology, University of California at Los Angeles  
6/1965 – 6/1970    Assistant Professor, Department of Sociology, University of California at Los Angeles  
6/1971 – 9/1971    Visiting Lecturer, Department of Sociology and Anthropology, Michigan State University, East Lansing

## Employment History, continued

- 6/1964 – 6/1975 Study Director, Comparative Research Branch, U. S. Office of Education and Department of Sociology, Michigan State University, East Lansing
- 9/1963 – 9/1964 Graduate Research Assistant, International Programs, Department of Sociology and Anthropology, Michigan State University, East Lansing

## Education

- 6/1963 – 6/1965 Michigan State University, Ph.D., Sociology and Anthropology
- 11/1962 – 6/1963 Michigan State University, M.A., Sociology
- 9/1957 – 6/1961 Michigan State University, B.A., Divisional Social Science
- 9/1961 – 11/1962 University of Chicago, Sociology
- 6/1961 – 8/1961 Columbia University
- 1/1957 – 4/1958 Northwestern Michigan College

## Professional Organizations

International Society for Research on Emotions

American Sociological Association

Methodology

Sociology of Emotions

Rational Choice Theory

Social Theory

International Sociological Association

Research Committee on Logic and Methodology

Research Committee on Sociolinguistics

Pacific Sociological Association

International Institute of Sociology

American Anthropological Association

Classification Society of North America

International Society for the Study of Time

## Selected Publications (in reverse chronological order)

### Books

TenHouten, Warren D. (forthcoming) *Alienation, Adaptation, and Affect: Ten Varieties of Alienation and Their Bases in Tertiary Emotions*. London and New York: Routledge.

TenHouten, Warren D. (2013) *Emotion and reason: Mind, brain, and the social domains of work and love*. London and New York: Routledge.

TenHouten, Warren D. (2007) *A general theory of emotions and social life*. London and New York: Routledge.

## Books, Continued

TenHouten, Warren D. (2005) *Time and society*. Albany, NY: State University of New York Press.

TenHouten, Warren D. and Charles D. Kaplan. (1973) *Science and its mirror image: A theory of inquiry*. New York: Harper & Row.

## Articles, Book Chapters, Reviews

TenHouten, Warren D. (in press) “A neurosociological model of Weberian, instrumental rationality: Its cognitive, conative, and neurobiological foundations.” In *Handbook of neurosociology*, edited by David D. Franks and Jonathan H. Turner. New York: Springer.

TenHouten, Warren D. (2011) “Handwriting and creativity.” *Encyclopedia of Creativity* (pp.588–594), 2nd edn, Vol. 1, edited by Mark A. Runco and Steven R. Pritzker. San Diego, CA: Academic Press:

TenHouten, Warren D. (2006) “From alexithymia, borne of trauma and oppression, to symbolic elaboration, the creative expression of emotions, and rationality.” In *Reason and Creativity in Cognitive Development*, edited by J. Kaufman and J. Baer. Cambridge and New York: Cambridge University Press.

TenHouten, Warren D. (2005) “Social relations and the primary emotions: A first report.” *Journal of Creative Inquiry in Sociology* 33: 79—92.

TenHouten, Warren D. (2004) “Time and society: A quadratic theory of time-consciousness.” *Journal of Creative Inquiry in Sociology* 32: 3—10.

TenHouten, Warren D. (2004) “Time and society: Social organization and time-consciousness.” *Free Inquiry in Creative Sociology* 32: 11—19.

TenHouten, Warren D. (2004) “Time and society: A cross-cultural study.” *Free Inquiry in Creative Sociology* 32: 21—34.

TenHouten, Warren D. and Wen Wang (2001) “The eight trigrams of the Chinese I *Ching* and the eight primary emotions.” *Asian Journal of Social Psychology* 4: 185—199.

TenHouten, Warren D. (2000) “On Durkheim’s notions of time and mind in Australian Aboriginal cosmology and social life.” In *The Living Legacy of Marx, Durkheim and Weber*, vol. II, *Applications and Analyses of Classical Sociological Theory by Modern Social Scientists*, edited by R. Altschuler. New York: Gordian Knot Books.

TenHouten, Warren D. (1999) “The four elementary forms of sociality, their biological bases, and their implications for affect and cognition.” In *Advances in Human Ecology*, vol. 8, edited by Lee Freese. Greenwich, CT: JAI Press.

## Selected Publications, continued

- TenHouten, Warren D. (1999) "Handwriting and creativity." In *Encyclopedia of Creativity*, vol. 1, edited by Mark A. Runco and Steven R. Pritzker. San Diego, CA: Academic Press.
- TenHouten, Warren D. (1999) "Explorations in neurosociological theory: From the spectrum of affect to time-consciousness." In *Mind, Brain, and Society: Toward a Neurosociology of Emotion*, edited by David D. Franks and Thomas S. Smith. Greenwich, CT: JAI Press.
- TenHouten, Warren D. (1999) "Text and temporality: Patterned-cyclical and ordinary-linear forms of time-consciousness, inferred from a corpus of Australian Aboriginal and Euro-Australian life-historical interviews." *Symbolic Interaction* 22: 121—137.
- TenHouten, Warren D. (1998) "Primordial temporality, the self, and the brain." *Journal of Social and Evolutionary Systems* 20: 253—277.
- TenHouten, Warren D. (1997) "Neurosociology." *Journal of Social and Evolutionary Systems* 20: 7—37.
- TenHouten, Warren D. (1997) "Dual symbolic classification and the primary emotions: A proposed synthesis of Plutchik's psychoevolutionary and Durkheim's sociogenic theories of emotions." In *The Living Legacy of Marx, Durkheim, and Weber*, vol. I, *Applications and Analyses of Classical Sociological Theory by Modern Sociologists*, edited by Richard Altschuler. New York: Gordian Knot Books.
- TenHouten, Warren D. (1996) "Introduction." *International Journal of Sociology and Social Policy* 1, Special Issue, *The Sociology of Emotions*, edited by Warren D. TenHouten, vol. 16: 1—20.
- TenHouten, Warren D. (1996) "Outline of a socioevolutionary theory of the emotions." *International Journal of Sociology and Social Policy* 1, Special Issue, *The Sociology of Emotions*, edited by Warren D. TenHouten, vol. 16: 189—208.
- TenHouten, Warren D. (1995) "Dual symbolic classification and the primary emotions: A proposed synthesis of Durkheim's sociogenic and Plutchik's psychoevolutionary theories of emotions." *International Sociology* 10: 427—445.
- TenHouten, Warren D. (1995) "Inferring cognitive structure from text." *Journal of Contemporary Legal Issues* 6: 97—114.
- TenHouten, Warren D. (1995) "The eclipse of the sacred and the paradoxical liberation of the left hand." *Anthropology of Consciousness* 6: 15—26.
- TenHouten, Warren D. (1994) "Creativity, intentionality, and alexithymia: A graphological analysis of split-brained patients and normal controls." In *Creativity and Affect*, edited by Melvin P. Shaw and Mark A. Runco. Westport, CT: Ablex Publishing.

## Selected Publications, continued

- TenHouten, Warren D. (1994) “On Sperry, Bogen, and social neuroscience.” *Social Neuroscience Bulletin* 6: 21—22.
- TenHouten, Warren D. (1993) “Dual symbolic classification, the primary emotions, and mandala symbolism.” *Anthropology of Consciousness* 4: 10—16.
- TenHouten, Warren D. (1993) “On race and intelligence.” *Social Neuroscience Bulletin* 6: 61—63.
- TenHouten, Warren D. (1993) “From emergent mentalism to social neuroscience.” *Social Neuroscience Bulletin*: 6: 27—29.
- TenHouten, Warren D. (1993) “Editorial: Change of name, network membership.” *Social Neuroscience Bulletin*: 6: 1—2.
- TenHouten, Warren D. (1993) “On the notion of multilevel analysis and social neuroscience: Commentary on Cacioppo and Berntson.” *Social Neuroscience Bulletin* 6: 10—11.
- TenHouten, Warren D. (1992) “Cerebral lateralization: A scientific paradigm in crisis? Critique of Efron and Corballis.” *Journal and Social and Evolutionary Systems* 15: 319—326.
- TenHouten, Warren D. (1992) “Generalization and statistical inference from snowball samples.” *Bulletin de Methodologie Sociologique* (No. 37, December): 25—40.
- TenHouten, Warren D. (1992) “Cerebral lateralization: A scientific paradigm in crisis?” *Journal of Social and Evolutionary Systems* 15: 319—326.
- TenHouten, Warren D. (1992) “Into the wild blue yonder: On the emergence of the ethnoneurologies – the social-science based neurologies and the philosophy-based neurologies.” *Journal of Social and Biological Structures* 14: 381—408.
- TenHouten, Warren D. (1992) “Into the wild blue yonder: On the emergence of the ethnoneurologies – the social-science based neurologies and the philosophy-based neurologies.” *Neuroanthropology Network Newsletter* 5: 7 (a one-page summary).
- TenHouten, Warren D. (1991) “Mind, self, image, emotion, and brain in the thought of George Herbert Mead.” In *Imagery and Society*, edited by Ahkter Ahsen. New York: Random House, Inc.
- TenHouten, Warren D. (1991) “Mind, self, image, emotion, and brain in the thought of George Herbert Mead.” *Journal of Mental Imagery* 15: 157—159.
- TenHouten, Warren D. (1991) “On the general systems approach to the evolution of social systems.” *Politics and the Life Sciences* 9: 275—277.

## Selected Publications, continued

- TenHouten, Warren D. (1989) "Application of dual brain theory to cross-cultural studies of cognitive development and education." *Sociological Perspectives* 32: 153—167.
- TenHouten, Warren D. (1988) "Prospects and problems of a biological approach to the study of formal social organization: A review of *Biology and Bureaucracy*," Edited by Elliott White and Joseph Losco. Lanham, MD: University Press of America, Inc, 1986. *Politics and the Life Sciences* 6: 258—260.
- TenHouten, Warren D., Donald O. Walter, Klaus D. Hoppe and Joseph E. Bogen (1988) Alexithymia and the split brain: VI. Electroencephalographic correlates of alexithymia. In *Hemispheric Specialization*, edited by Klaus D. Hoppe, Psychiatric Clinics of North America, vol. 11. Philadelphia, PA: W. B. Saunders.
- TenHouten, Warren D., Marc Seifer and Patricia Siegel. (1988) Alexithymia and the split brain: VII. Evidence from graphological signs. In *Hemispheric Specialization*, edited by Klaus D. Hoppe. Psychiatric Clinics of North America, vol. 11. Philadelphia, PA: Saunders.
- TenHouten, Warren D. (1988) "Social contexts of alexithymia." *Sociology of Emotions Newsletter* 3: 2, 7.
- TenHouten, Warren D. (1988) "Defining a bunt." *The Sydney Morning Herald*, Monday, October 24.
- TenHouten, Warren D., Klaus D. Hoppe, Joseph E. Bogen and Donald O. Walter. (1986) "Alexithymia: An experimental study of cerebral commissurotomy patients and normal controls. *American Journal of Psychiatry* 143: 312—316.
- TenHouten, Warren D., Donald O. Walter, Klaus D. Hoppe and Joseph E. Bogen. (1987) "Alexithymia and the split brain: V. EEG alpha-band interhemispheric coherence analysis. *Psychotherapy and Psychosomatics* 47: 1—10.
- TenHouten, Warren D., Klaus D. Hoppe, Joseph E. Bogen and Donald O. Walter. (1986) "Alexithymia and the split brain: IV. Gottschalk-Gleser content analysis, an overview. *Psychotherapy and Psychosomatics* 44: 113—121.
- TenHouten, W. D., K. D. Hoppe, J. E. Bogen and D. O. Walter (1986) "On alexithymic expression and behavior: Dr TenHouten and associates reply (to Dr. Gorton)." *American Journal of Psychiatry* 143: 26—29.
- TenHouten, W. D., K. D. Hoppe, J. E. Bogen and D. O. Walter (1986) "An 'axiological' study design?" Dr TenHouten and associates reply (to Dr. Vollhardt)." *American Journal of Psychiatry* 143: 148—149.
- TenHouten, Warren D. (1986) "Right hemisphericity of Australian Aboriginal children II. Conjugate lateral eye movements." *International Journal of Neuroscience* 30: 255—260.

## Selected Publications, continued

- TenHouten, Warren D. (1985) "Right hemisphericity of Australian Aboriginal children: Effects of culture, sex, and age on performance of Closure and Similarities tests." *International Journal of Neuroscience* 28: 125—146.
- TenHouten, Warren D., Klaus D. Hoppe, Joseph E. Bogen and Donald O. Walter. (1985) "Alexithymia and the split brain: III. Global-level content analysis of fantasy and symbolization." *Psychotherapy and Psychosomatics* 44: 89—94.
- TenHouten, Warren D., Klaus D. Hoppe, Joseph E. Bogen and Donald O. Walter. (1985) "Alexithymia and the split brain: II. Sentential-level content analysis." *Psychotherapy and Psychosomatics* 44: 1—5.
- TenHouten, Warren D., Klaus D. Hoppe, Joseph E. Bogen and Donald O. Walter. (1985) "Alexithymia and the split brain: I. Lexical-level content analysis." *Psychotherapy and Psychosomatics* 43: 202--206.
- TenHouten, Warren D. (1985) "Cerebral lateralization theory and the sociology of knowledge." In *The Dual Brain: Hemispheric Specialization in the Human*, edited by D. Frank Benson and Eran Zaidel. New York: Guilford Press.
- TenHouten, Warren D. (1985) "The multilingual mind and the multilingual society: A commentary." *Politics and the Life Sciences* 19: 19—21.
- TenHouten, Warren D. (1983) "Social correlates of cerebral lateralization: A neurosociological approach." In *Language and Cognitive Style: The Emergence of a Research Paradigm*, edited by Robert N. St. Clair and Walburger von Raffler-Engel. Lisse, The Netherlands: Swetz and Zeitlinger.
- TenHouten, Warren D. (1983) "Comment" on Sheldon Klein, "Analogy, mysticism and the structure of culture." *Current Anthropology* 24: 174—175.
- TenHouten, Warren D. (1980) "Social dominance and cerebral hemisphericity: Discriminating race, socioeconomic, and sex groups by performance on two lateralized tests." *International Journal of Neuroscience* 10: 223—232.
- Kaplan, Charles D., Warren D. TenHouten and Michael Wogan (1980) "Educational implications of cerebral lateralization: A neurosociological perspective." *Journal of the National Association of Learning Laboratory Directories* 14: 7—21.
- TenHouten, Warren D. (1979) "Review of 'Human Variation: The Biopsychology of Age, Race, and Sex,'" edited by Travis Osborne, Clyde C. Noble and Nathaniel Weyl. New York: Academic Press, 1978. *Contemporary Sociology* 8: 652—653.
- TenHouten, WD. (1978—1979) "Hemispheric interaction in the brain and the propositional, compositional, and dialectical modes of thought." *Journal of Altered States of Consciousness* 4: 129—140

## Selected Publications, continued

- TenHouten, Warren D. (1977) "More on split-brain research and anthropology." *Current Anthropology* 18: 344—346.
- Rogers, Linda, Warren D. TenHouten, Charles D. Kaplan and Martin Gardiner (1977) "Hemispheric specialization of language: An EEG study of Hopi Indian children." *International Journal of Neuroscience* 8: 1—6.
- TenHouten, Warren D., Andrea Lee Thompson and Donald O. Walter (1976) "Discriminating social groups by performance on two lateralized tests." *Bulletin of the Los Angeles Neurological Societies* 42: 99—108.
- TenHouten, Warren D. (1976) "More on split-brain research, culture, and cognition." *Current Anthropology* 17: 503—506.
- Kaplan, Charles D. and Warren D. TenHouten (1974) "Neurolinguistic sociology." *Sociolinguistics Newsletter* 6: 4—9.
- TenHouten, Warren D. and Charles D. Kaplan (1973) "Science and its mirror image." In *Cerebral Dominance*, edited by Donald O. Walter, Linda Rogers and Joyce M. Finzi-Fried. Los Angeles: Brain Information Service/BRI Publications. Los Angeles: University of California.
- TenHouten, Warren D. (1973) "Race and family power structure: A critical analysis of the black matriarchy thesis. In *Interracial Marriage*, edited by Irving R. Stuart and Lawrence E. Abt. New York: Grossman Publishers, pp. 83—109.
- TenHouten, Warren D. and Charles D. Kaplan (1972) "Science and its mirror image." *Kansas Journal of Sociology* 8: 155—175.
- Bogen, J. E., R. DeZure, W. D. TenHouten, and J. F. Marsh, Jr. (1972) "The other side of the brain. IV: The A/P ratio." *Bulletin of the Los Angeles Neurological Societies* 37: 49—61.
- TenHouten, Warren D. and Donald Long (1971) "A FORTRAN IV program for scale gradient analysis of Guttman scales." *Behavioral Science* 16: 267—268.
- TenHouten, Warren S., Diana TenHouten and Jon Stern (1971) "Political leadership in poor communities: Applications of two sampling methodologies." In *Race, Change, and Urban Society*, vol. 5, edited by Peter Orleans and Russell Ellis. Beverly Hills, CA: Sage Publications, pp. 215—254.
- TenHouten, Warren D. Tzuen-jen Lei and Françoise Kendall and C. Wayne Gordon (1971) "School ethnic composition, social contexts, and educational plans of Mexican-American and Anglo high school students." *American Journal of Sociology* 76: 89—107.

## Selected Publications, continued

TenHouten, Warren D. (1971) *Cognitive Styles and the Social Order*, PB 210—375, University of California, Los Angeles, CA: National Technical Information Service, U. S. Department of Commerce.

TenHouten, Warren D. (1970) “The black family: Myth and reality.” *Psychiatry* 33: 145—173. (“Errata.” *Psychiatry* 34: 224.

Reprinted as:

TenHouten, Warren D. (1976) “The black family: Myth and reality.” In *Urban Problems: Psychological Inquiries*, edited by Neil C. Kalt and Sheldon S. Zalkind. New York: Oxford University Press, pp. 29—40.

TenHouten, Warren D. (1971) “The black family: Myth and reality.” In *Family in Transition: Rethinking Marriage, Sexuality, Child Rearing, and Family Organization*, edited by Arlene Skolnik And Jerome H. Skolnick. Boston, MA: Little Brown and Co., pp. 419—432.

TenHouten, Warren D. (1970) “Review of ‘*Cliques, Crowds, and Gangs: Group Life of Sydney Adolescents*’.” *American Sociological Review* 35: 162.

TenHouten, Warren D. (1970) “The races meet in high school.” In *Race and Ethnic Relations*, edited by Helen M. Hughes. Boston, MA: Allyn and Bacon, Inc., pp. 46—55; reprinted by Holbrook Press.

TenHouten, Warren D. (1969) “Scale gradient analysis: A statistical method for constructing and evaluating Guttman scales.” *Sociometry* 32: 80—98. (“Erratum.” *Sociometry* 32: 272.)

TenHouten, Warren D. (1968) “Racial competition and the social systems of three high schools.” In *Society and Education: A Book of Readings*, edited by Robert J. Havighurst, Bernice L. Neugarten and Jacqueline Falk. Boston, MA: Allyn and Bacon, Inc., pp. 135—143.

TenHouten, Warren D. and David Gottlieb (1964) “Racial composition and the social systems of three high schools.” *Journal of Marriage and the Family* 27: 204—212.

## Selected Formal Presentations and Events Organized (in reverse chronological order)

Note: Presentations from 2002—2006 not yet compiled; before 1975 not included.

TenHouten, Warren D. “Anticipation: A key cognitive-affective resource for the evolution of the human mind.” Section of Evolution and Sociology, Organizer and Presider Richard S. Machalek. One hundred second Meeting of the American Sociological Association. Boston, Massachusetts: August 5.

## **Formal Presentations, continued**

- TenHouten, Warren D. (2007) "Lexical, hierarchical, categorization analysis: A methodology for quantitative analysis of qualitative data." UCLA—Lancaster University Symposium on Sociological Research Methods, Organizer and Presider Roger Penn. Department of Sociology, University of California. Los Angeles, California: March 2.
- TenHouten, Warren D. (2001) "Culture and time-consciousness: A general theory, an empirical study." "Neurosociology" Regular Session, Presider David Franks. Ninety-fifth Annual Meeting of the American Sociological Association. Washington, DC: August 12.
- TenHouten, Warren D. (2001) "A content-analytic methodology for inferring time-consciousness from life-historical interviews." "Biography and Society" Session, Annual Meetings, International Sociological Association. London: September 15.
- TenHouten, Warren D. (2000) "Affect-spectrum theory." Regular Session, "Sociology of Emotions," Presider, Warren D. TenHouten. The Seventy-first Annual Meeting of the Pacific Sociological Association. San Diego, CA: March 16.
- TenHouten, Warren D. (2000) "Neurosociology." Regular Session, "Biology and Society," David Franks. Ninety-fourth Annual Meeting of the American Sociological Association, New York: August 15.
- TenHouten, Warren D. (2008) "Anticipation: A key cognitive-affective resource for the evolution of the human mind." Regular Session, "Evolutionary Sociology," Organizer and Presider Richard Machalek, Ninety-ninth Annual Meeting of the American Sociological Association, Boston, coming up in August.
- TenHouten, Warren D. (2000) "The social quaternio, the brain, and the mind." Special Session, "Unlocking the Secrets of the Brain: More Implications for Sociology," Organizer and Presider Michael Hammond. Ninety-third Annual Meeting of the American Sociological Association, Chicago, IL: August 8.
- TenHouten, Warren D. (2000) Regular Session Organizer, "Sociology of Emotions." Pacific Sociological Association, San Diego, California, March 2.
- TenHouten, Warren D. (1999) "The elementary forms of temporality, their biological bases, and their implications for cognition and affect." Regular Session, "Biology and Society," Organizer Lee Freese. The Seventieth Annual Meeting of the Pacific Sociological Association. Portland, Oregon: April 17.
- TenHouten, Warren D. (1998) "Time-consciousness and social relations." Regular Session, "Biosocial Interactions, Organizer and Presider Ken Chew. Ninety-second Annual Meeting of the American Sociological Association. San Francisco, California: August 21.

## **Formal Presentations, continued**

- TenHouten, Warren D. (1997) "Inferring time-consciousness from text: Comparison of life-historical interviews with Australian Aborigines and Euro-Australians." Regular Session, "Cognitive Sociology," Organizer and Presider Eviatar Zerubavel. Ninety-first Annual Meeting of the American Sociological Association. Toronto, Canada: August 12.
- TenHouten, Warren D. and Charles D. Kaplan (1997) "Neurosociology." Special Session, "Unlocking the secrets of the brain: Implications for Sociology." Organizer and Presider Michael F. Hammond. Ninety-first Annual Meeting of the American Sociological Association, Toronto, Canada: August 12.
- TenHouten, Warren D. (1997) "The temporal quaternio." The Sixty-eighth Annual Meeting of the Pacific Sociological Association, San Diego, California: April 18.
- TenHouten, Warren D., Nathan Glazer and Robert Boyd (1996) "Overview from the social sciences: Sociology and anthropology." Colloquium on "Culture, Democracy, and Development," Sponsored by the James S. Coleman Chair in International Development Studies, Department of Economics, ISOP, and the Center for International Relations. University of California at Los Angeles, November 22.
- TenHouten, Warren D. (1996) "Emotions and social relations: A socioevolutionary theory." Plenary Session, Ninth Meeting of the International Society for Research on Emotions, Toronto, Canada: August 14.
- TenHouten, Warren D. (1996) "Outline of a socioevolutionary theory of the emotions." Sixty-seventh Annual Meeting of the Pacific Sociological Association. Seattle, Washington: March 21—24.
- TenHouten, Warren D. (1995) "Grid-group analysis: Application to community studies." Sixty-sixth Annual Meeting of the Pacific Sociological Association. San Francisco, California: April 7.
- TenHouten, Warren D. (1995) "The eclipse of the sacred and the paradoxical libration of the left hand." Annual Meeting of The Society for the Anthropology of Consciousness. Berkeley, California: March 31.
- TenHouten, Warren D. (1995) "Neurocognitive hierarchical categorization analysis: A content-analytic methodology for inferring cognitive structure from text." Qualitative Sociology Colloquium, University of California at Los Angeles, Department of Sociology: February 6.
- TenHouten, Warren D. (1993) "Australian Aboriginal conceptualization of time." Society for the Anthropology of Consciousness, presented at the Annual Meeting of the American Philosophical Association (Pacific Division). Los Angeles, California: March 31.
- TenHouten, Warren D. (1993) "Australian Aboriginal conceptualization of time." Meeting of The Society for the Anthropology of Consciousness. Santa Barbara, California: April 11.

## **Formal Presentations, continued**

- TenHouten, Warren D. (1993) "Australian Aboriginal conceptualization of time." Institute for Law and Systems Research (University of San Diego), held at the Oxford Conference Center, University of Michigan. Ann Arbor, Michigan: December 20.
- TenHouten, Warren D. (1993) "Cerebral lateralization: A scientific paradigm in crisis?" Academisch Psychiatrisch Centrum, Faculteit der Gezondheidswetenschappen Rijksuniversiteit Limburg. Maastricht, The Netherlands: November 3.
- TenHouten, Warren D. (1993) "A story about Aboriginal research." Missoula Conference on Ethno-inquiries. Department of Sociology, University of Montana. Missoula, Montana: July 17.
- TenHouten, Warren D. (1993) "Inferring cognitive structure from life-historical interviews: As example, Australian Aboriginal conceptualization of time." Quantitative Sociology Area Program Colloquium Series, Department of Sociology, University of California. Los Angeles, California: May 26.
- TenHouten, Warren D. (1993) "Measurement of multilevel social roles: Joint application of snowball sampling and experience sampling." The Institute for Psychosocial and Socio-ecological Research (IPSER), in association with Rijksuniversiteit Limburg. Maastricht, The Netherlands: April 1.
- TenHouten, Warren D. (1993) "Dual symbolic classification and the primary emotions: An emendation of Durkheim's sociology of emotions." Regular Session, "Sociology of Emotions," Sixty-third Annual Meeting of the American Sociological Association. Miami Beach, Florida: August 13—17.
- TenHouten, Warren D. (1993) "Dual symbolic classification and the primary emotions." Social Psychology Area Program Colloquium Series, Department of Sociology, University of California. Los Angeles, California: March 8.
- TenHouten, Warren D. and Charles D. Kaplan (1993) "Neurocognitive sociology as ethnoneurology." Regular Session, "Bioscience and Sociology," Sixty-third Annual Meeting of the American Sociological Association. Miami Beach, Florida: August 13—17.
- TenHouten, Warren D. (1992) "A neurocognitive sociology of Aboriginal cognition." Department of Sociology, Australian National University. Canberra, ACT, Australia: July 9.
- TenHouten, Warren D. (1992) "Multi-criteria snowball sampling." Workshop on Generalizability Questions for Snowball Sampling and Other Ascending Methodologies. Department of Statistics and Measurement Theory and Inter-University Center for Sociological Theory and Methodology (ICS), organized by Tom Snijders. University of Groningen, The Netherlands: February 21.
- TenHouten, Warren D. (1990) "Inference from snowball samples." Section on "Social Networks: Advances in Methodology," Kathleen Carley, Chair. Eighty-fifth Annual Meeting of the American Sociological Association. Washington, District of Columbia: August 11.

## **Formal Presentations, continued**

- TenHouten, Warren D. (1990) "Life histories and the elementary forms of the mental life." Research Committee (RC) 37 Section (Session 4, "Biography and Society"), Twelfth World Congress of Sociology. Madrid, Spain: July 9—13.
- TenHouten, Warren D. (1990) "Methodological issues of snowball sampling." Research Committee (RC) 33 Section (Session 10, "Network Analysis Methods"), Peter Carrington, Chair. Twelfth World Congress of Sociology. Madrid, Spain: July 9—13.
- TenHouten, Warren D. (1990) "Cognitive style, culture, and learning: The case of the Australian Aborigine." Section on "The Sociology of Education," John G. Richardson, Chair. Sixty-first Annual Meeting of the Pacific Sociological Association. Spokane, Washington: April 7.
- TenHouten, Warren D. (1989) "Methodological issues of snowball sampling." Conference on Social Networks. North Campus Center, University of California. Los Angeles, California: November 4.

- TenHouten, Warren D. (1978) "The two brains." Thirty-first Annual Conference on World Affairs, University of Colorado. Boulder, Colorado: April 18.
- TenHouten, Warren D., with Kenneth Boulding, David Hawkins, Gordon W. Hewes, Raymond Maurice, John L. Murphy and Edward Rose as Discussants. "Seminar on brain work." A Proseminar held concurrently with the Thirty-first Annual Conference on World Affairs, University of Colorado, Boulder, Colorado: April 10, 12.
- TenHouten, Warren D. (1977) "Bilingualism, social identity, and cognitive style." Interdisciplinary Linguistics Program, University of Louisville, Louisville, Kentucky: March 11.
- TenHouten, Warren D. (1977) "Social determinants of cerebral lateralization." Fifth Annual Meeting of the International Neuropsychology Society. Santa Fe, New Mexico.
- TenHouten, Warren D. (1976) "Neurosociological effects of social structure." Twenty-ninth Annual Conference on World Affairs. Boulder, Colorado: April 11.
- TenHouten, Warren D. (1976) "Hemispheric specialization and language: An EEG study of Hopi Indian children." Seventy-first Annual Meeting of the American Sociological Association. August 28.
- TenHouten, Warren D. (1976) "Cognitive styles in the classroom." Plenary Session, Perspective on Language Conference, University of Louisville. Louisville, Kentucky: March 11.
- TenHouten, Warren D. (1975) "Neurosociology." Twenty-eighth Annual Conference on World Affairs, University of Colorado. Boulder, Colorado: April 10.

## **Other Professional Involvements and Experiences** (2001—2007 not compiled)

- 3/2000 Regular Session Organizer, “Sociology of Emotions,” Pacific Sociological Association. San Diego, California: March 24.
- 4/1997 Regular Session Organizer and President, “Sociology of Emotions,” Pacific Sociological Association. San Diego, California.
- 9/1996 Regular Session Organizer and President, “Sociology of Emotions,” Pacific Sociological Association. Long Beach, California.
- 8/1995—2/1996 Special Issue Editor, “The Sociology of Emotions,” a Special Issue of *International Journal of Sociology and Social Policy*.
- 10/1994—9/1995 Regular Session Organizer and President, “Macrosociology of the Emotions,” And “Microsociology of the Emotions,” Annual Meeting of the American Sociological Association.
- 2/1994 Consultant (assisting the developing of a sampling frame for snowball sampling and experience sampling components; data analysis) “The Epidemiology of Drug Use Patter among women), Principal Investigator Claire Sterk, National Institute of Health, National Institute of Drug Abuse, Grant number DAO7406.
- 9/1993 Consultant, Te Roopa Awhina Whanau, an incorporated Maori Trust. Te Puka, Bay of Plenty, New Zealand.
- 10—12/1993 Fellow, International Institute for Psycho-social and Socio-ecological Research (IPSER), A Collaborating Center of the World Federation of Mental Health, associated with Rijksuniversiteit Limburg. Maastricht: The Netherlands.
- 8/1992—5/1994 Editor-in-Chief, *Social Neuroscience Bulletin* (formerly Neuroanthropology Network Newsletter, Edited by Charles Laughlin)
- 7/1989—6/1996 Principle Investigator, “Analysis of Life-Historical Interviews” and various other titles. Six different one-year Research Grants from the UCLA Academic Senate.
- 5/3—4/1991 Judge, Fifth Annual California State University Student Research Competition and Conference, California State University, Los Angeles, California.
- 3/1/1991 Discussant, The Rocky Mountain Conference on the Ethno-Inquiries, Organizer Edward Rose. University of Colorado. Boulder, Colorado.
- 11/17/1989 Discussant, Session on “Exploring the Interface of Mind, Culture, and Neurobiology.” Organizer/Chair Lee Xenakis Blonder, Eighty-eighth Annual Meeting of the American Anthropological Association. Washington, DC.

## **Other Professional Involvements, continued**

- 12/14/1988 Discussion Leader, "Methodological issues of snowball sampling." Conference on Strategies of Field Work Research. Instituto Mexicano de Psiquiatría. Mexico City, Mexico.
- 8/1988—12/1988 Visiting Professor (University of California Education Abroad Program; exchange with Stephen D'Alton of the School of Sociology, University of New South Wales). Kensington, New South Wales, Australia.
- 7/1988—6/1989 Principal Investigator, "Hierarchical categorization analysis of Aboriginal and White Australian life-histories." UCLA Academic Senate Grant. Los Angeles, California.
- 7/1987—6/1988 Principal Investigator, "Development of computer-based interviewing methodology." UCLA Academic Senate Grant. Los Angeles, California.
- 10/1985—6/1986 Principal Investigator, "The process of closure: Patterns and parts." UCLA Academic Senate Grant. Los Angeles, California.
- 8/1985—present Senior Research Associate, New South Wales Aboriginal Family Education Centres Federation (A.F.E.C.). St. Marys, New South Wales, Australia.
- 6/1983—5/1984 Principal Investigator, "Lateralization and learning of Aboriginal and European children in Australian primary and secondary schools." Council on International and Comparative Studies, UCLA. Los Angeles, California.
- 6/1980—5/1981 Principal Investigator, "EEG and television-evoked potential correlates of alexithymia." UCLA Academic Senate Grant. Los Angeles, California.
- 9/1980—5/1981 Research Associate, Cognitive Psychophysiology Laboratory, Department of Psychology, University of Illinois. Champaign, Illinois.
- 1/1978—11/1979 Consultant, The Child Care Referral Service of the Joint Center for Community Studies. Los Angeles, California.
- 11/1978—6/1980 Principal Investigator, "Working and thinking: A neurosociological EEG study." UCLA Academic Senate Grant. Los Angeles, California.
- 10/1977—6/1978 Principal Investigator, "Occupation, social class, and cerebral lateralization: An EEG study." UCLA Academic Senate Grant. Los Angeles, California.
- 1975, 1978 Consultant (sampling design and data analysis), Institute for Scientific Analysis, San Francisco and Los Angeles, California
- 9/1969—2/1970 Study Director, "A study of the American family." U. S. Office of Economic Opportunity.

## **Other Professional Involvements, continued**

- 12/1969—1/1970 Consultant (with Donald Long and Kenneth Ong), supervising sampling design and sampling field procedures; wrote FORTRAN IV computer program for statistical tests of social structure in snowball samples used for evaluation of Community Action Programs in programs of the U. S. Office of Economic Opportunity, for Westinghouse Learning Corporation. Work was done in Los Angeles, California.
- 9/1968—9/1969 Consultant, design of methodology for site sampling and snowball sampling methods used to analyze community leadership structure. Work done for Barss, Reitzel and Associates in Los Angeles, California.
- 9/1968—6/1970 Department Representative, to the Western Management Science Institute Colloquium on Mathematical Models in the Behavioral Sciences. Los Angeles, California.
- 9/1967—8/1968 Principal investigator, “Socialization and the Negro American family.” National Institute of Mental Health (NICHD). Research Grant to Department of Sociology, University of California. Los Angeles, California.
- 10/1966—6/1968 Member, Laboratory for Methodological Research, UCLA Survey Research Center. Los Angeles, California.
- 10/1964—9/1965 Study Director, “Socialization, race, and the American high school.” Cooperative Research Branch, U. S. Office of Education. Study No. S-031. Department of Sociology and Anthropology, Michigan State University. East Lansing, Michigan.
